Morning Emmanuelle,

Please find the attached. Again, this is from the 2012 PER, which we spent two years addressing USDA's comments and suggestions in the interest of publishing the 2014 PER.

Hi Jesse,

I was wondering if you had a full size version of the attached picture that you could share with me?

I'm trying to put together a ppt for my management on the HAMP so thought this slide would be good, but my resolution is not so good. Thanks

Emmanuelle
